Students must maintain a theory grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. WARNING STATUS

Students who fail to meet minimum requirements for attendance and/or academic progress (70% cumulative attendance and 2.0 GPA) at the end of the payment period will be placed in a Warning Status. A Student in Warning Status may continue to receive assistance under the Title IV HEA programs for one payment period despite a determination the Student is not making Satisfactory Academic Progress; A Warning Status may be assigned without an Appeal and may require no action from the Student. A Student meeting Satisfactory Academic Progress at the end of the Warning Status shall be returned to normal SAP status with no loss of Title IV eligibility. A Student who fails to meet Satisfactory Academic Progress at the end of the Warning Status will be put in probation status; there will be a loss of Title IV eligibility; with the right to Appeal.

APPEAL PROCEDURE

A student, who wishes to appeal a loss of Title IV eligibility due to failure to maintain Satisfactory Academic Progress, must submit a written request to the School within ten (10) days of being notified. The Student must describe in writing any unusual circumstance(s) that the student believes deserve special consideration. The basis on which a student may file an appeal: death of a relative, an injury, or illness of the student or other special circumstance. The Student must provide information as to why they did not make SAP and what has changed that will allow them to make SAP by the next evaluation point. Once the School receives the appeal, they will evaluate the appeal and provide a decision within five (5) calendar days. The School will notify the student in writing of the decision and that decision is final. All documentation will be maintained in the Student File for record purposes.

PROBATION STATUS

A Probation Status will be granted for an approved Appeal if the Academy determines that SAP standards can be met by the end of the subsequent evaluation period. The Student will regain Title IV eligibility for the current payment period only. Students who regain SAP at the next reporting period are considered as meeting SAP and will have regained full eligibility; those who are not making SAP will continue to be ineligible to receive Title IV funds without another option to Appeal.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Is limited to the period under evaluation. Students making SAP by the conclusion of the Warning Status or Probation Status are considered to have regained Title IV eligibility. Additional assignments and opportunities will be provided for students to help re-establish SAP. Students are allowed to stay over their daily scheduled hours, not to exceed 10 hours per day. SAP must be obtained before maximum time frame is exceeded.

NONCREDIT, REPETITIONS, AND REMEDIAL PROGRAMS

Noncredit, repetitions, and remedial programs do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

RETURN OF TITLE IV, HEA POLICY

When you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. Cosmetology Academy of Texarkana will calculate the amount of tuition to be returned to the Title IV, HEA Federal fund programs according to the policies listed below.

RETURN TO TITLE IV FUNDS POLICY

This policy applies to students' who **withdraw official, unofficially or fail to return from a leave of absence or dismissed from enrollment** at Cosmetology Academy of Texarkana . It is separate and distinct from the Cosmetology Academy of Texarkana refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of **unearned** funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice. The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. REFUND POLICY #13

The Academy has a fair and equitable refund policy and currently uses the Texas Department of Licensing and Regulation refund policy.

Pursuant to Chapter 1602 of the Texas Occupations Code, a fair and equitable settlement will apply for Applicants who cancel enrollment or Students who withdraw from enrollment. Applicants not accepted by the Academy shall be refunded all monies paid to the Academy. If Student (or in the case of Student under legal age, his/her parent or guardian) cancels the enrollment in writing within three business days of signing the enrollment agreement, all monies collected by the school will be refunded less the Non-Refundable Registration Fee in the amount of \$100, the TDLR fee of \$25, the fee for the kit and books, and 10% tuition down payment. The student retains possession of their books and kit, even if the Student has begun classes. The "formal cancellation date" will be determined by the postmark on written notification, the date said notification is delivered to the Academy in person, the date the Academy terminates the Student, or 10 days after the last day of attendance or the expiration date of an approved Leave of Absence.

For Students who enroll and begin classes but withdraw prior to program completion (after three business days of signing the contract), the following schedule of tuition earned by the Academy applies:

SCHEDULED TIME ELAPSED IN TOTAL PROGRAM	TOTAL TUITION ACADEMY SHALL HAVE EARNED
First Week or .01-10% (whichever is less)	10%
10.1% – 20% of Program	20%
20.1% to 25% of Program	25%
25.1% - 49.9% of Hours in Program	50%
After 50% Elapsed Hours	100%

Any monies due the Applicant or Student shall be refunded within 30 days of formal cancellation date as defined above. In the case of disabling illness or injury, death in the Student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a Student has enrolled, Cosmetology Academy of Texarkana will provide a pro rated refund of tuition to the Student. If the program is canceled subsequent to a Student's enrollment, the school will either provide a full refund of all monies paid or completion of the program at a later time. The school does not participate in any teach-out plans with other institutions. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the Student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal.

OVER-CONTRACT COST

Students are given ample time to complete training. Students are encouraged to attend as scheduled and projected graduation dates are reported on each evaluation. If a student has not completed their contracted hours by their contract graduation date they are considered to be over contract. Over contract fees are calculated at double the hourly tuition rate of the contract. Those fees are calculated the day the student is contracted to graduate by the multiplying the remaining hours left to complete by the over contact fee. Student hours will not be released and student cannot graduate until these fees are paid.

CANCELLATION POLICY

A full refund will be made to any Student who cancels the enrollment agreement or contract within 72 hours (until midnight of the third day excluding Saturdays, Sundays, and legal holidays) after the enrollment contract is signed by the prospective Student. If tuition is collected in advance of entrance, and if, after expiration of the 72 hours cancellation privilege, the Student does not enter classes, not more than \$100.00 shall be retained. COPYRIGHT AND COMPUTER USE POLICY

The Academy supports enforcement of copyright law for the protection of its employees as both creators and users of copyright protected works. Cosmetology Academy of Texarkana requires that staff and Students comply with federal law regarding the use of copyright protected materials. In addition, in the spirit of promoting "the progress of science and the useful arts," the school supports the fair use for such purposes as criticism, comment, news reporting, teaching scholarship or research and reproduction of copyrighted materials (including multiple copies for classroom or library use), for educational purposes as outlined in the federal Copyright Law (PL94-553).

ACADEMY DISCIPLINARY ACTIONS

Disciplinary action may be taken in the event that the provisions of this guideline are violated. The administration has sole discretion in determining what action, if any, will be taken against persons violating the provisions of this guideline. Handling of violations to this guideline may vary according to the particular situation. Where the use of the computer is an integral part of the instructional program, violators need to be disciplined immediately and regain access to the computer so that instruction may continue. Disciplinary action may range from a verbal reprimand to legal action.

INTERNET GUIDELINES

Internet access is now available to Students and staff. The goal in providing this service to Instructors and Students is to promote educational excellence by facilitating resource sharing, innovation, collaboration, and communication. The Academy's network is an electronic network, which enables access to the Internet. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and instructors and staff may have access to:

- Electronic mail
- Information and news
- Opportunity to and research
- Public domain and shareware software of all types

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the Academy setting. On a global network, it is impossible to control all materials and an industrious user may discover controversial information. The Academy firmly believes that the educational value of information and the interaction available on this worldwide network outweighs the risks that users may procure materials that are not consistent with the educational goals of the Academy.

PRIVILEGES

The use of the network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator may close an account at any time as required. The Academy may request the system administrator to deny, revoke, or suspend specific user accounts.

GRIEVANCE POLICY

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 30 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the School President.
3. The complaint will be reviewed by the School President and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for a final resolution of the problem but will notify the Student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the School President it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, the School will appoint a Hearing Committee consisting of one member selected by the School who has had no involvement in the dispute and another member who may not be related to the student filing the complaint or another student in the School, and another member who may not be employed by the School or related to the School President. The hearing will occur within 30 days of committee appointment. The hearing will be informal with the Student presenting his/her case followed by the School's

response. The Hearing Committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute that will be accepted by the school.
